

25th Annual Putnam County Spelling Bee – SRT 2010

Ilia Kemble – Properties Department

Properties Crew Head

I designed and built the spelling bee trophy.

I created the numbered placards for the characters to wear during the show.

I designed and built the candy striped box for use at the beginning of Act II.

*I painted the finger puppet
for Leaf Conebear to use in
his song, "I'm not that
smart."*

I designed and built the baton for Marcy Park to use in her song, "I speak six languages."

I built and painted the microphone stands used by the Rona Lisa Peretti and Vice Principle Douglas Panch.

I was the Properties Crew Head for the show - in charge of keeping track of the props on and off the stage.

I helped create the layout for the middle school banners hung in the theatre during the show.

It was "Pandemonium," but it was fun!
